

## Important Public Notice

*“If ever there was a time when we needed to reclaim our identity, preserve the history of our community and make memories for our children, it is now before the past is lost forever.*

*“If each family picks up a few loose dangling threads, together we can weave a strong and beautiful cloth”*

In 2018 our town will celebrate 50 years as a municipality. **Our 50<sup>th</sup> Birthday!** What better way to celebrate than to publish a book filled with old photographs and your stories and recollections of days gone by....the good old days!

For our children and grandchildren, we must preserve our way of life and wonderful history!

Tell us how your family came to be here in Long Harbour-Mount Arlington Heights. Give us a feel for what it was like to grow up here, raise a family here, or relocate here. What changes have you seen over the years?

Talk to your parents, grandparents, aunts, uncles, friends of the family, especially those who have moved away. Get them to share their memories. This may very well be the only opportunity to preserve your family's history. Don't be left out...Don't be disappointed!

Share the invitation on Facebook. Connect with former residents who may have a story to tell.

Chapel Arm, Come by Chance and Arnold's Cove have successfully documented their history and way of life. We can to!

### Sections for our Publication:

- |             |                                                                                                         |
|-------------|---------------------------------------------------------------------------------------------------------|
| Section I   | Forward – Purpose of the book<br>Acknowledgement of all who contributed; typists, editors, artists etc. |
| Section II  | Tributes to those of us who've gone before                                                              |
| Section III | A Touch of Nostalgia – Memories and from the heart stuff                                                |
| Section IV  | Industry – Resettlement, Fishing, Argentia Naval Base, ERCO, Vale                                       |
| Section V   | School Connections                                                                                      |
| Section VI  | Fun and Devilment                                                                                       |
| Section VII | Friends & Family                                                                                        |

There is no limit, gather and send as many stories as you can. All will be edited so don't be concerned about grammar or structure. The content is what's important. Please send your stories to:

Patricia Burke P.O. Box 21 Long Harbour, NL A0B 2J0	Telephone: 228-2744  Email: <a href="mailto:patriciaborke2009@gmail.com">patriciaborke2009@gmail.com</a>
--------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------

Once documented, your memories, stories and photographs will become our history and will never be forgotten. This is an exciting project! **We look forward to receiving your submissions!**
