Electronic Waste Collection

Extend Nature's Warranty, Recycle Your Electronics!

The Town is Sponsoring an Electronic Waste Collection!

Time to get rid of your old electronics Safely and Securely!

Where: Town Office Parking Lot at 490 Main Street

When: 9:00 a.m. to 4:00 p.m., Thursday, July 21, 2016

What is Accepted:

Computers	VCR's
Laptops	DVD's
Chargers	Game consoles
Tablets	Walkman's
Cellphones	Cable and/or Satellite Receivers
Keyboards and Mouse	Turntables
Scanners	Radios
Wires	Small Household Appliances up to the size of a microwave oven.
Cables	<ul style="list-style-type: none">• Coffee pots• Kettles• Irons• Mixer
Power bars	Microwave ovens
Speakers	
Stereos	
Small desktop printers	
Fax machines	

Please note that large, floor standing printers and all photo copiers are not included in the electronics recycling legislation - therefore we do not take them.

We can take ink jet cartridges and laser cartridges - either used or new for recycling.

We can also take standard household batteries AA, AAA, C and D's, lead acid batteries and UPS units (uninterruptible power supplies) that contain batteries.

Let's Do Our Part!
Keep Old Electronics Out of our Landfills!
