

Public Notice

Your Town Council has received complaints about roaming dogs. Our municipal regulation states that all dogs within our municipal boundaries must be kept on a leash or otherwise tethered. **Please do not allow your dog to roam free on our walking trail.** There are residents who fear dogs and that fear takes the enjoyment out of walking the trail.

Respect your fellow residents and neighbours, keep your dogs tethered at all times!

If necessary, Council will seek the assistance of a dogcatcher. Any dog roaming our community will be reported and picked up.

Protect our Walking Trail

Our walking trail was built for residents to enjoy the tranquility and scenic beauty of nature. It was not built for motorized vehicles. ATV's and other motorized vehicles on the trail will damage the walking surface, make it dangerous for walkers and take away from the tranquility of the trail.

Please do not drive ATV's or any type of motorized vehicles on our walking trail.

The Town Council of Long Harbour-Mt. Arlington Heights thanks you for your cooperation.
