**ADOPTION OF MINUTES**

**MOTION 08-21-25-02 - Adopt the Minutes of the Regular Meeting held July 17, 2025**

Moved by Councillor Wayne Kelly, seconded by Councillor Gary Keating.

**BE IT RESOLVED THAT** the minutes of July 17, 2025, Regular Meeting be adopted without errors or omissions.

**In Favor:** Mayor Walter Keating  
**Councillors:** W. Kelly, L. Burke, G. Keating

**MOTION CARRIED**

**BUSINESS FROM THE MINUTES**

I noticed an error in June 2025 minutes. Under the heading "Arrears Sales", a motion was made to adopt the by-law, motion number, **06-19-25-07**. According to my written notes all councillors voted in favor of

the motion and the motion passed; however, in writing the minutes, I did not list the names of the councillors who voted. To correct this error, I need to amend the minutes of June 19, 2025, to add the names of the councillors who voted on motion **06-19-25-07**.

**MOTION 08-21-25-03 – Amendment to Meeting Minutes of June 19, 2025**

Moved by Councillor Wayne Kelly, seconded by Councillor Gary Keating.

**BE IT RESOLVED THAT** the minutes of June 19, 2025, Regular Meeting be amended to add the names of the councillors who voted on motion **06-19-25-07**.

**In Favor:** Mayor Walter Keating  
Councillors: W. Kelly, L. Burke, G. Keating

**MOTION CARRIED**

**MANAGER'S REPORT**

**Emergency Management Plan** – I have updated our Emergency Management Plan as of August 20, 2025. An updated copy was sent to the Fire Department, all councillors, the RCMP and Municipal Affairs.

**Resident Request** – A resident is requesting Council pave the road shoulder area at the intersection to Pumphouse Road from Newtown Road. Motor vehicle usage, including ATV's tends to push rocks and gravel onto the pavement. Staff measured it up and to do both sides will take approximately 1,800ft. sq.

- Town Manager is to get a price quote on the work and email it out to all councillors for final approval.

**MOTION 08-21-25-04 – Approve Paving the Intersection of Newtown Rd. and Pumphouse Rd.**

Moved by Councillor Gary Keating, seconded by Councillor Wayne Kelly.

**BE IT RESOLVED THAT** Council approves paving the intersection of Newtown and Pumphouse Road. Town Manager to quote the work and request council's final approval.

**In Favor:** Mayor Walter Keating  
Councillors: W. Kelly, L. Burke, G. Keating

**MOTION CARRIED**

**Sludge Tank issues** – The sludge tank was uncovered using the small Kubota and GFI was in and completed the repair.

**Town Backhoe:** Our backhoe was in for regular maintenance, oil change filters, and grease.

**Water Disruption** – There was a water disruption on Sunday, August 10<sup>th</sup>. Chlorine pump 1 went down and we had to switch over to pump 2. We stopped distribution to ensure the water was adequately

chlorinated. There was another water disruption on Wednesday for waterline repair. This break was between Isadore's Garage and the turn to the Big Head. Today we had another waterline break. This one was by the Long Harbour Lodge.

**New VTSCADA** – Cahill were here today to install the new VTSCADA system, with the updated computer system. Ryan will be back in a few weeks to install a new firewall.

**Generator** – Generator is ordered. Unit should be here in the next 6-7 weeks. The transfer switch arrived last week. Keith and Cordell will be here tomorrow to measure up for wiring. This will be the start of the installation. Concrete work will be done within the next 3 weeks as well.

**Tender Call for Maturin Pond Multiuse Trail** – The Tender document is complete. Tender was invited August 15<sup>th</sup>, with a closing date of September 5<sup>th</sup>. Mills & Wright separated the tender call into two projects. The first is the cut portion of the trail and the second is the portion that requires cutting. This will allow contractors to price the entire project while separating the work. If project prices come in high, it will allow for phasing the project.

**Long Harbour-Mount Arlington Heights Days** – It was a wonderful weekend. We had a lot of positive feedback, especially as it related to the kids' activities. It seemed the kids activities were well received.

**The Development of New By-Laws** – Section 7(e) of the Towns and Local Service Districts Act states, "The town council **shall** adopt by-laws respecting the prevention of fire in a town and the inspection of buildings in a town for fire protection services.

Section 7(f) of the Towns and Local Service Districts Act states, the town council **shall**, where the town has a fire department, adopt a by-law for the control and management of the fire department and the participation of the fire department in emergency activities not related to firefighting or fire prevention.

I have just completed drafting these policies and have forwarded them to the Fire Department to review. I used a template supplied by the Town of Torbay for the Fire Prevention by-law, and a template from Conception Bay South for the Fire Department by-law. These drafts will no doubt need to be modified for our Fire Department. Once the drafts are reviewed and modified, they will be reviewed by Council before adoption.
