

Bulk Garbage Collection

A Bulk Garbage collection is scheduled for **Monday, October 27**. All items must be at the roadside **before** this date. The collection will begin 7:00 a.m. Please note: the garbage truck will only pass your property once, so it is important to have all items at the roadside in time for collection. Please Note:

While cleaning up your property please make an extra effort to do the roadside and/or ditch fronting your property lot. Including this area in your clean-up will make a tremendous difference in beautifying our community.

Thank you to all who go the extra mile for a brighter and cleaner community.

Bulk collection Guidelines

- Place items at your own curb by 7 a.m. on your designated bulk waste collection day. Only your household's items should be at the curb.
- Place bulk items next to your garbage box or where waste is normally placed for weekly collection.
- Separate metal items from other bulk waste (such as furniture).
- Do not stack items.
- Waste must be accessible and boxes free of snow / debris
- All items must be bagged or bundled and tied. Scattered or loose items will not be collected.
- Individual items must not exceed a maximum of 22 kg (50 lb).
- A maximum of 226 kg (500 lbs) or one pick-up load (whichever is less) will be collected from each household.
